A Message from Peggy

Dear Friends of *positively AFRICA*,

It's been the most educational journey for me. When *positively AFRICA* incorporated in 2006, I thought it might take a few years to find support for the 35 projects that we had information about in six African countries. Now, 12 years later, and knowing that we have contributed to growth in many more than those 35 projects, we are preparing to close our doors.

We want to end on a really big high. This means helping Soweto Junior Academy build a school, and a residence adjacent to the 'tower of learning'. We have almost raised an astounding \$50,000, (without a strong Fundraising leader) A huge contribution from an anonymous donor made Soweto Junior Academy's dream possible, but now we need your help. We have \$4,000 left to raise. I know

that perhaps you can help, and just forgot to send a donation. Please, as the day

of giving approaches, as we pass the winter solstice, as the New Year turns, consider donations in lieu of gifts for some on your family and friends. Perhaps even encourage people to apply to help with the construction project, which has already begun!

We will send you a card (if you ask), to pass along, or you can use one of our electronic gift cards. Share with others that gift of knowing that the dynamic strength of children is encouraged through education and nourishment. That last \$4,000 is critical to the project's success. Please

send your donations to: 3047 Washington Ave., Victoria BC V9A 1P7 or go to <http://www.positivelyafrica.org/>. Write to me if you have questions.

With huge appreciation for the years of support for our friends in Africa! With love to you all, and wishes for a peaceful entrance into 2019.

–Peggy Frank - Co-founder of positively AFRICA.

Gifts that Give Twice

Be a shining star this Season and help us on our final fundraising drive to build a school for Soweto Junior in Kibera.

With the festive season just around the corner, we wanted to remind you about our “Giving Twice” donation option. Through our website, you can donate to *positively AFRICA* and help us on our final drive to raise money to build a new school for the children of Soweto Junior in Kibera.

In return, we will email you a specially created gift card that you can provide in lieu of a traditional Christmas gift. The card explains your donation and where the money will be used.

So you will really be giving twice; once to help complete a school for the bright children in Soweto Junior and then again to a family member or friend closer to home by showing them how much you care.

For more information about our “Give Twice” Program, please see
